

Clan Merchandise 2026

We have a wide range of clan items with either the clan badge or the tartan. All Clansfolk can use the Clan Badge - above - and the tartan for their own use and that of their descendants. All our prices include packing and postage. We can accept Sterling, US$, C$, A$ and Euros. Send us a check or make a bank-to -bank transfer. In North America, send the check to Annette Lawrence in Florida *10447 Sorrento Road, Ste 100. PMB 189. Pensacola. FL 32507-7617*

- **Some taxes may be payable when goods are imported from the UK**.
- Most governments allow small shipments to enter tax free – but check this yourself. A packing list containing prices is often enclosed with shipments. This is used for calculating taxes payable. It is not a bill payable by the importer.
- **Shipments to the USA**
    - The tariff – import tax – in the USA applied to merchandise from the UK is currently 10% of the sales price plus some additional charges, total 14%. However, the tariff is often changed at short notice so we can't quote a firm price in US$. Email the Chief at *chief@clanmaitland.uk* to get the current price before you make a payment to Annette.
