

# Clan Merchandise 2023

We have a wide range of clan items with either the clan badge or the tartan. All Clansfolk can use the Clan Badge - above - or the tartan for their own use and that of their descendants. All our prices include packing and postage. We can accept Sterling, US\$, C\$, A\$, NZ\$ and Euros. Send us a check, or make a bank to bank transfer.

**Some taxes may be payable when goods are imported from the UK.**

Most governments allow small shipments to enter tax free – but check this yourself. A packing list containing prices is often enclosed with shipments. This is used for calculating taxes payable. It is not a bill payable by the importer.
